Quilts of Iceland A Fiber Art Exhibition

Ailsa Craig Community Quilt Festival
May 21-26th, 2018

The Ailsa Craig Community Quilt Festival is unlike any other in the world. Historically, this week long event is a living testimony to the spirit of this small SW Ontario village as it is completely run by local volunteers. In 2011 we presented the incredible "Quilts of the Netherlands" followed in 2012 by the "Quilts of Denmark". 2013 saw the Festival host "Quilts of Israel", followed by "Quilts of Great Britain" (2014), "Quilts of France" (2015) and "Quilts of Latvia" (2016). Last year, The Festival was proud to celebrate Canada's sesquicentennial by hosting; "Canada 150; A Celebration of Art Through Fibre".
